Jefferson City Police Department

May 10, 2006

Here we go again; the 4th **Annual LECC Training Seminar** is scheduled for August 23-25, 2006, at the **Clarion Hotel in Springfield, MO**. The training announcement and registration form are included with this letter. By special agreement, the room rates will be extended through the weekend for those who wish to make a long weekend out of it.

We are honored this year to have **Lt. Ken Landwehr**, Wichita PD as our guest speaker at the awards banquet. Lt. Landwehr will be speaking about his experience investigating the **BTK serial killer case**. We will also have a short program along with a variety of entertainment while enjoying our delicious dinner.

Please remember that space is limited again this year, so be early. Also, room rates are guaranteed only through August 4, after that the rates could go up.

We are also soliciting nominations for the **Enoch B. Morelock Award** to be given to an officer of outstanding moral character, service in law enforcement and involvement in their community. The officer's activities should be for the time period **July 2005 through June 2006**. If you have an officer that you would like to nominate, please list their name, department and supervisor on a separate sheet of paper along with why you believe he/she should be considered for this award, and send to the **LECC Executive Committee** at the address above no later than **July 15**. Please type or write legibly, if we can't read it we can't consider it.

We have worked extremely hard on this seminar to make it both educational and fun, so we hope you decide to come and join us for the **4th Annual LECC Training Seminar**. See you in August.

Sincerely,

LECC Executive Committee
